7 February 2018

Dear Parent/Carer

Through our assembly programme, students have recently received a presentation about the opportunities offered by the National Citizenship Service. They have also had the chance to discuss these opportunities with members of the National Citizenship Service at break and lunchtime.

Having received this information, the decision as to whether to apply to the service rests entirely with the student and those who support them at home.

We would like to make it clear that this service and the opportunities that are accessed through it are not provided by Northallerton School and Sixth Form College or North Yorkshire County Council and that any communications or questions should be made directly to them.

Yours sincerely

**Mr K Prytherch**  
Executive Principal
