

## Year 11

### 2018 Provisional Data (as of October 2018)

Attainment 8 score	44.6
Progress 8 estimate	-0.13
Grade 5 or above in English and Maths	44%
Achieving E Bacc at Grade 5/C or above	7%

A Progress 8 score of -0.13 would mean that the grades that students achieved are in line with those grades achieved by similar students nationally.

(NB Removing 9 case study, 'outlier students' from the statistics results in a Progress 8 score of +0.02)

## Year 13

### 2018 Provisional Data (as of October 2018)

#### Overall

Average Points per A Level Entry	31
Average Grade per A Level Entry	C

**Progress Score Estimate** 0.27est sig+

A progress score of 0.27 would mean that the grades that students achieved are on average a quarter of a grade higher than those grades achieved by similar students nationally.
