

21 May 2015

Dear Parent/Carer

I am writing to let you know about some events going on for Year 12 between now and the end of the summer term.

As part of our careers programme we are holding an Aim Higher evening on Thursday 6 June 2019, 6.00-8.00pm. There will be speakers on topics such as 'student finance' and 'what makes a good employment application' as well as stands from local universities and a number of employer stands such as PWC and the NHS. This will be followed up by a careers afternoon on Friday 28 June 2019 where students can prepare their personal statement or take part in seeking employment. A letter regarding the Aim Higher Evening has been sent home and copies are on the website.

Year 12 internal examinations will take place the week beginning 1 July 2019 and students will be issued with individual timetables for this week. A level lessons will not take place during this week apart from the students who go to Stokesley on Tuesday and Thursday as these lessons will continue.

Work experience for all Year 12 will take place Monday 8 July until Friday 12 July 2019. A large number of students have sorted their placements for this period, but there are some students still to confirm a place. Please encourage students to finalise this as soon as possible, as checks need to be carried out for safeguarding purposes.

For students that have taken OCR Cambridge Technical exams in May/June these results will be available on Thursday 15 August 2019 from 10.00am.

If you require any further information about any of the above please do not hesitate to contact me.

Have a great half term break.

Yours faithfully

Kathryn Redpath  
Head of Sixth Form
