

SAIL Update

We are nearing the end of our current themes in Year 7 and Year 8.

Year 8 celebrations of 'May the Force be With You' will be in the week beginning Monday 11th November. We will be inviting parents into school to see the presentations of the childrens' work. Each base group has chosen an afternoon for their presentations. Please come along to reception at 3.30 on the relevant afternoon. Your student will meet you in reception and escort you to their base room.

Mon 11th November - Mr Murphy and
Miss Johnson

Tue 12th November - Miss Dear

Wed 13th November - Mrs Bainbridge and
Mrs Lopez-Beverly

Thu 14th November - Mr Myers and Mrs Scott

Year 7 celebrations of 'Who are we?' will be in the week beginning Monday 25th November. This will be a 10 minute appointment for you to meet your child with their base coach. Your child will make a presentation about their 'Ultimate Goal'. This asks them to consider what kind of career they might like when they are older; what path they might take to get there and what they need to focus on now to try and make it happen. We will be in touch soon with your date and appointment time.

LETTERS HOME

You should have received, or your child should have brought home the following letter this week:

*Letter to parents & carers Oct 19
Read and Write (email)*

If you require a paper copy, please contact school.

Student News Team

Mrs Cadwallader and a group of Year 9 students are in the process of producing a student newspaper - no title for the publication as yet!

If any students are interested in joining the newspaper editorial team, could you please contact Holly Scott, Maggie Allan, Beth Smith or Mrs Cadwallader, or come to B4 on a Monday night after school.

We are looking for originality, creativity, contributions, cartoonists, humour, uniqueness and bright minds. You could just write a piece and drop it off, or come once a week to help with the effort.

All contributions are welcome.

Sports Reports

English Schools Cross Country Success

On Monday 14th October, twenty one of our students travelled to Queen Margaret's School to compete in the County round of the English Schools Cross Country Championships.

All the teams put in good performances, but sadly, none of the four teams managed to progress through to the North East Regional Finals. However, there were some excellent individual runs, with Sam Archer, Magnus Gaudie and Olivia Jackson-Bowers all finishing in the top twenty. This is an excellent achievement by these three athletes, as they were competing against the best runners in the county.

There were other excellent performances, with a number of the students named below finishing in the top thirty. In total, there were roughly seventy students competing in each race, so although we had no outright winners, the students all competed very well and were a credit to our school.

Well done to all the squad and hopefully we can have some success in the Area Championships in early November.

Young Sports Leaders excel at Primary Schools Cross Country Festivals

On Wednesday the 9th October, 28 Young Sports Leaders from Northallerton School & Sixth Form College helped with the running of the Northallerton Primary Schools' Cross Country Festivals at the Hambleton Leisure Centre.

Our Young Leaders performed various different roles throughout the day, many of them acting as pace makers and runners to escort primary students around the course. Others took on course marshalling roles, assisting with students, parents and primary teachers. Finally, there was a group of leaders who were responsible for finishing positions and recording of the results.

In total there were 16 races throughout the day, with the village schools taking part in the morning and the town schools in the afternoon.

All the students were a great credit to the school and received many positive comments from both parents and primary staff. A big thank you from Mr Myers and the P.E. Department for their fantastic efforts.

Please see below the list of Young Sports Leaders.

**CELEBRATE NATIONAL
SCHOOL MEALS WEEK
A WEEK OF SCHOOL
MEALS FOR ONLY £9.60**

Come and join us to celebrate and promote National School Meals Week, which runs from the 11th to the 15th November.

We would like to give all students the chance to have a free lunch on Friday 15th November. In particular, we would really like it if students who are currently on packed lunches, or buy their meals outside of school, to come in and try our delicious home made meals. Even more important, as the weather changes and it becomes colder, it is so much more beneficial to enjoy a freshly prepared hot meal.

To enjoy this offer, a student must purchase one of our chosen Meal Deals from the 11th to the 14th November to receive a free Meal Deal on 15th November.

The menu will follow Week 1 for the first four days (see the menu on our website) and the 'Treat Friday', which will be the free meal, is chicken burger in a bun, served with chips and baked beans. Dessert is apple crumble and custard.

In order to minimise wastage, we need to know in advance if you would like to take advantage of this fantastic offer. We would therefore appreciate it if parents could fill in the pre-order form below, with choices for each day and return to school by Friday 25th October. Alternatively, you can email your choices to harris.a@northallertonschool.org.uk.

Please can we also ask that parents top up all student lunch accounts in advance to cover the four days, as only meals that are paid for each day will qualify for the offer.
