

## Head of School update 16.3.20

We continue to follow all Public Health England advice in keeping our school as safe as possible for all students and staff regarding Covid-19. In the context of this pandemic we ask all of you to support and follow the information provided by the NHS which can be found on <https://www.nhs.uk/conditions/coronavirus-covid-19/> Should your child display symptoms then the advice is to stay at home for a period of seven days. It is important that we all support each other in following this advice. In the meantime we are working with all staff to ensure the safe and continued delivery of education to all of our children. We will keep you informed about this work. In the event of a child needing to be absent from school please can you notify the school following the normal absence procedure by contacting 01609 773340, selecting option 3 or emailing [absences@northallertonschool.org.uk](mailto:absences@northallertonschool.org.uk). Please state the specific reasons for absence with a clear description of any illness.

## School production of Annie

Due to the ongoing developments of Covid-19 and potential health risks, we have taken the decision to postpone the planned production of Annie this week. This has been a very difficult decision but one taken in the best interests of the students involved and the families who would have been attending. We look forward to being able to confirm new dates soon. All tickets already bought will be honoured and transferred to the new dates.
