

12<sup>th</sup> February 2020

Dear Parent / Carer

During the half-term holiday we have put together a programme of support and revision in a number of GCSE subjects. I have attached the final programme to this letter and I would appreciate your support in encouraging your son / daughter to take full advantage of this holiday programme. Students attending the sessions are not required to wear school uniform.

If your son / daughter is planning to attend one or more of the half-term revision sessions we would ask that:

- Students sign in and out of the school at the main student reception – it is important that we have an accurate register of who is in school.
- Students bring a packed lunch with them to sessions which last the whole day.
- Parents / carers arrange transport to and from the school – unfortunately there will be no school buses running during the holidays.
- Students go to the room identified on the programme – it is likely that there will be maintenance work done to the school buildings during most days.

Teachers will be keeping attendance registers for their sessions. If you would like to check the attendance of your son / daughter during the holiday sessions you will be able to access this information through the SIMs app.

We hope that you will support your son / daughter in making the most of this revision programme by discussing it with them over the next few days. There will be similar programmes available for the second week of the Easter holidays and the May half-term - we would encourage students to make the most of all of these opportunities.

If you would like any further guidance on helping your son / daughter to prepare for their summer exams then please do not hesitate to contact me.

Yours faithfully

**Mr A. Wilkinson**  
Deputy Headteacher
