## Chromebook Programme

### Summer 2021

**\* This portal will be open until 10<sup>th</sup> August \***

#### **NORTHALLERTON SCHOOL CHROMEBOOK PROGRAMME**

Northallerton School embarked on its first Chromebook 1:1 Programme with its Year 7 & 8 students in September 2019. The overwhelming support and take up meant that a significant number of students across Years 7 and 8 have access to their own device and are using them both in lessons and at home.

Our vision is that every student at Northallerton School will have their own Chromebook enabling a vital link between learning at school and at home. The Chromebooks enable students to access the independent tasks they must complete as part of our digital curriculum designed to increase student agency in learning by ensuring they take more ownership of and responsibility for their own learning.

We are now opening the Northallerton Chromebook Programme for Years 7, through to 13. Students are encouraged to use their Chromebooks in class and at home. We hope that you share our vision to make this project a success.

#### **THE EQUIPMENT ON OFFER**

We have selected a Chromebook which is best suited to enhance the learning experience of our students at Northallerton School. This Chromebook is specifically designed for student use with a ruggedised outer casing and enhanced specification to ensure that they withstand all functional requirements.

Each device is also supplied with a 3 Year extended warranty and 3 Year guaranteed repair service giving complete peace of mind.

#### **WHY CHROMEBOOKS?**

Chromebooks are extremely easy to use and facilitate both independent study and online collaboration whilst also offering high levels of security and eSafety. Through the use of Google Apps for Education, we can further improve student engagement, and open the door to learning.

The Chromebooks with the Management Console ensure that all students are able to access all of the same resources and applications, wherever they are in the world and enable teachers to deliver the curriculum in the most exciting and engaging way.

#### **THE BENEFITS OF CHROMEBOOKS**

- Less than 8 seconds to boot up
- Long battery life
- Unlimited file storage
- Simple technology that will just work
- Easy student-teacher workflow in a safe environment
- Excellent collaboration tools
- Works seamlessly with Google & Office 365
- Affordable monthly payments

#### **WHAT'S INCLUDED?**

- Chromebook – Ruggedised and designed for students
- Chrome Management Licence
- 3 Yr Guaranteed Repair Service
- Google Classroom & Apps for Education

#### **HOW MUCH DOES IT COST?**

The Chromebook offering is available from only £11.29 per month over 36 months including all of the items above. There are no credit checks and it is open to all students. If ordering for Y10 to Y13 students your maximum payment term will be shorter.

Parents / Carers can opt to pay via monthly direct debit or a one-off payment through the online portal.

#### **IS THERE ANY FINANCIAL SUPPORT?**

If you have any financial difficulties and wish to speak to someone regarding financial support in order to join this scheme then please contact the school to discuss your situation

\*Based on Google Chrome Power\_LoadTest, a battery run down test. For more information about Google Chrome Power\_LoadTest, visit [www.chromium.org](http://www.chromium.org). Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use
