

24th June 2021

Dear Parent/Carer

Re: Year 6 Transition Arrangements – Update 2

Further to my letter dated 21st June 2021, please find below further updates to our transition programme:

Induction Week (14th-16th July) - as you know, this has been cancelled. We are very sorry about this, it will be replaced with a one day transition on the first day of the new term in September, **Tuesday 7th September 2021** (please note Monday 6th September is now an additional training day). The children will spend the day with their tutors, getting to know them, the other students in their tutor group, finding their way around the new site and learning about our school's values, behaviour code and expectations.

Meet The Tutor Evenings (1st and 7th July) - these will now be virtual. You should be receiving an email from Schoolcloud which includes a link for you to join the meeting. Further details about schoolcloud are also included with this letter.

Schoolshop – Schoolshop will be in school on 1st July and 7th July between 3.30pm and 6.30pm should you wish to bring your child to try on uniform. However you will need to book an appointment and the flyer enclosed with this letter gives you details of how to do this.

Biometric registering – if you attend the sizing event above, you will also have the opportunity for your child to have their 'thumb registered' for our cashless system for school lunches. Do not worry if you are not attending though as there will be an opportunity for this on the first day of term.

Primary Visits (8th and 9th July) – Denise Robson, Head of Year, and Anna Cox, Assistant Head, are still hoping to attend partner primary schools on 8th or 9th July to meet with the Year 6 students and to answer any questions they may have.

Enhanced Transition for SEN – these are going very well.

Application Packs and Transition Portfolios - please could we ask that you either return these to us or to your primary school, if easier, and we can collect when we visit on 8th or 9th July.

Chromebook Scheme – the window to order a chromebook is now open and will close on 10th August. All details about the chromebook scheme can be found on our website
<https://www.northallertonschool.org.uk/curriculum/chromebook-scheme/>

If you have any further questions, please contact Miss Cox on cox.a@northallertonschool.org.uk

Best wishes

Mrs V Rahn
Head of School
