Teacher Assessed Grades

Northallerton School and Sixth Form College has determined grades in accordance with the JCQ guidance (<https://www.jcq.org.uk/summer-2021-arrangements/>) and has submitted these grades to the relevant awarding organisation by the required deadline.

To support your understanding, please refer to Ofqual's *Student guide to awarding: summer 2021* (<https://www.gov.uk/government/publications/student-guide-to-awarding-summer-2021>) which tells you how you will get your qualifications in summer 2021 and where you can get more information.

Concerns about your results

When you receive your results, if you think that a grade is wrong, your first step should be to speak to Mr Wilkinson, Deputy Headteacher for advice.

Further details of the arrangements for appeals are provided below.

The arrangements for appeals

Section 5.4 of JCQ Appeals Guidance Summer 2021 (A guide to appeals processes – Summer 2021) states:

To decide whether to request a review, students will need access to certain information before results day, or on results day, if it has not already been made available to them. This must include:

- a. the centre policy
- b. the sources of evidence used to determine the student's grade, along with the marks / grades associated with them
- c. details of any variations in evidence used based on disruption to what that student was taught
- d. details of any special circumstances that have been considered in determining their grade, e.g. access arrangements / reasonable adjustments or mitigating circumstances such as illness

There are two stages to the appeals process:

- Stage 1 - centre review;
- Stage 2 - appeal to the awarding organisation.

Northallerton School and Sixth Form College will support its students through the centre review and awarding organisation appeals process.

The information below describes the arrangements in place at Northallerton School and Sixth Form College for conducting a centre review and (where applicable) submitting an appeal to the awarding organisation following a centre review.

Stage 1 – centre review

- If a student does not consider they have been issued with the correct grade, they can submit a request to Northallerton School and Sixth Form College to check if an administrative or procedural error has occurred;
- For priority appeals contact Mrs Learmonth, Exams Officer via exams@northallertonschool.org.uk who will email the student a copy of the interactive *JCQ Student Request Form for centre reviews and appeals* (saved in the candidate's name and candidate number) as an attachment. For non-priority appeals students should complete the google form [here](#);
- The student should read the important instructions, fully complete *section A. Student request* of the *Stage one – centre review* form including electronic signature and date. The form should be saved and returned as an email attachment;
- The outcome of the centre review may result in the student's grade **being lowered**, remaining the **same**, or **being raised**;

- On completion of the review Mrs Learmonth, Exams Officer will complete section *B. centre review outcome* of the form and share with the student as a record of the outcome, in sufficient time prior to the relevant appeal to the awarding organisation deadline;
- If an administrative or procedural error is found, Mrs Learmonth, Exams Officer will submit a request to the awarding organisation to correct the error and amend the grade without the need to submit an appeal to the awarding organisation;
- Non-priority appeals including GCSE appeals will be acknowledged and then dealt with in September.

Stage 2 – Appeal to the awarding organisation

- An appeal to the awarding organisation will only be submitted if the first stage, centre review, has been completed and the outcome of the first stage has been issued to the student;
- The awarding organisation will not be able to consider an appeal that is based solely on differences of opinion - if the student wants to improve their grade they may want to consider entering for the autumn exam series;
- If the student believes there is still an error following the centre review, or if the awarding organisation has made an administrative error, or the student considers that the grade awarded was an unreasonable exercise of academic judgement, the student can submit a request to Mr Wilkinson, Deputy Head Teacher via wilkinson.a@northallertonschool.org.uk to proceed with an appeal to the awarding organisation on their behalf;
- To proceed, the student must complete the *Stage 2 – appeal to awarding organisation* section of the form, including electronic signature and date. The form should be saved and returned as an email attachment;
- Mrs Learmonth, Exams Officer will then submit the appeal on the student's behalf according to the requirements of the awarding organisation to which it is being submitted;
- The awarding organisation will determine the grade at appeal and the outcome will be final;
- The outcome of the appeal may result in the grade being **lowered**, remaining the **same**, or being **raised**;
- There is no further opportunity to appeal the outcome to the awarding organisation;
- The awarding organisation's appeal outcome letter will be provided by email to the student by Mrs Learmonth, Exams Officer as soon as reasonably practicable after the outcome letter from the awarding organisation is received in the centre;
- Should the student still remain concerned that their grade is incorrect, they may be able to apply for a procedural review;
- The appeal outcome letter will include the next appropriate steps, where applicable, to apply for a procedural review to the Exam Procedures Review Service (EPRS).

Note - Once a finding has been made you cannot withdraw your request for a centre review or appeal. If your grade has been lowered, you will not be able to revert back to the original grade you received on results day.

Deadlines to submit a request

Priority appeal

Northallerton School's deadline for the submission of a Stage 1 centre review is 9am on Friday 13th August so that we can complete them by the national deadline of 16th August 2021.

Northallerton School's deadline for the submission of a Stage 2 Appeal to Awarding Organisation is 9am on Thursday 19th August so that we can complete them by the national deadline of 23rd August 2021.

A priority appeal **is only for** students applying to higher education who did not attain their firm choice (i.e. the offer they accepted as their first choice) and wish to appeal an A level or other Level 3 qualification result. You should inform your intended higher education provider that you have requested a centre review or appeal. You will need to provide in the request form(s) your UCAS personal ID code which is included in all correspondence from UCAS. This is needed to confirm that a student's place is dependent on the outcome of the appeal. Priority appeals that aren't submitted to the awarding organisation by 23 August 2021 will still be treated as a priority but they may not be completed in time for those with a higher education place dependent on the outcome of the appeal.

Non-priority appeal

Northallerton School's deadline for the submission of a Stage 1 centre review is 9am on Thursday 2nd September so that we can complete them by the national deadline of Friday 3rd September 2021.

Northallerton School's deadline for the submission of a Stage 2 Appeal to Awarding Organisation is 9am on Tuesday 14th September so that we can complete them by the national deadline 17th September 2021.

Autumn Resits

Students will be able to resit any of their GCSE and GCE examinations in November 2021 provided they have already been entered for them during the summer 2021. Students who wish to access the opportunity to resit a subject need to complete the following google form by the required date:
